Althea,

Melody has just completed 16 hours work for this weekend. That is approximately \$1,600.00. Added to last weekend's total, we are at \$4,300.00 for weekend OT. I will get a total for regular hours worked last week hopefully tomorrow as I know she charged some time to the project during the week. I'm estimating total so far at around \$5,000.00 but I will firm that up and get solid numbers to you shortly.

Thanks,

Derek
